Appeals

Finegan, Dennis, and Shari Irizarry. Rural and small jurisdictions: Defending an assessment to the board of equalization. March/April:55–59.

International Association of Assessing Officers. Standard on assessment appeal. July/August:37–41.

Apportionment

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21–37.

Arm's-length Sales

Tomberlin, Nancy C. Sales Validation from an Oversight Agency's Perspective. November/December:29–35.

Assessment Notices

International Association of Assessing Officers. Standard on public relations. July/August:43–49.

Assessment Procedures

Houlihan, James M. A summary of the 1999 major assessment jurisdiction survey. July/August:23–28.

Assisted-Living Facilities

Crotty, Richard T., Anthony J. Mullen, CPA, and William C. Weaver, Ph.D. Identifying business values in assessment of senior living and long-term care properties. March/April:33–39.

Automated Tax Filing

Hoover, John W., Jr. CPA. Electronic filing of tangible personal property returns. March/April:40–43.

Budget

Houlihan, James M. A summary of the 1999 major assessment jurisdiction survey. July/August:23–28.

Business Value

Crotty, Richard T., Anthony J. Mullen, CPA, and William C. Weaver, Ph.D. Identifying business values in assessment of senior living and long-term care properties. March/April:33–39.

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21–37.

Capitalization Rates

Crotty, Richard T., Anthony J. Mullen, CPA, and William C. Weaver, Ph.D. Identifying business values in assessment of senior living and long-term

care properties. March/April:33–39.

Centrally Assessed Property

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21–37.

International Association of Assessing Officers. Standard on assessment appeal. July/August:37–41.

Changing Markets

Johnson, Marion R., CAE, and Rick Stuart, CAE. The effect of out-of-town buyers on market value in a small Kansas community. May/June:49–52.

Coefficient of Dispersion

Gloudemans, Robert J. Confidence intervals for the coefficient of dispersion: Limitations and solutions. November/December:23–27.

Computer-assisted Mass Appraisal (CAMA) Systems

Hoffman, Richard H., CAE, Jude T. Hammond, AAS, and Richard R. Almy. Developing reassessment specifications. January/February:51–58.

Ward, Richard D., Ph.D., CAE. Demonstration of CAMA in South Africa. May/June:33–43.

Condominiums

St. Amand, Léonel, and Robert J. Gloudemans. Condominium valuation using multiple regression analysis: A practical data administration and valuation approach. January/February:39–47.

Confidence Intervals

Gloudemans, Robert J. Confidence intervals for the coefficient

cient of dispersion: Limitations and solutions. November/December:23-27.

Contaminated Property

International Association of Assessing Officers. Standard on the valuation of properties affected by environmental contamination. September/October:38-60.

Jaconetty, Thomas A., Esq. Do you want your children playing under those things? The continuing controversy about high voltage electromagnetic fields, human health, and real property values. May/June:23-30.

Stuart, Rick, CAE. Mercury contamination—Functional or economic obsolescence. March/April:51-53.

Continuing Care Retirement Communities

Crotty, Richard T., Anthony J. Mullen, CPA, and William C. Weaver, Ph.D. Identifying business values in assessment of senior living and long-term care properties. March/April:33-39.

Contracting

Hoffman, Richard H., CAE, Jude T. Hammond, AAS, and Richard R. Almy. Developing reassessment specifications. January/February:51-58.

Cost Approach

Goodwin, Michael W., CAE. Trended investment and entrepreneurial profit. September/October:34-37.

Johnson, Marion R., CAE, and Paul A. Welcome, CAE. Snakes and more snakes. September/October:64-66.

Johnson, Marion R., CAE, Paul Welcome, CAE, and Darla Frank, CAE. A case study: The house of mold. November/December:37-40.

Data Availability

Ward, Richard D., Ph.D., CAE. Demonstration of CAMA in South Africa. May/June:33-43.

Defense of Assessments

Finegan, Dennis, and Shari Irizarry. Rural and small jurisdictions: Defending an assessment to the board of equalization. March/April:55-59.

International Association of Assessing Officers. Standard on assessment appeal. July/August:37-41.

Depreciation

Johnson, Marion R., CAE, and Paul A. Welcome, CAE. Snakes and more snakes. September/October:64-66.

Johnson, Marion R., CAE, Paul Welcome, CAE, and Darla Frank, CAE. A case study: The house of mold. November/December:37-40.

Development, Limitations on

Lifflander, John. The conundrum of concurrency. May/June:45-48.

Electric Generating Plant

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21-37.

Electromagnetic Fields

Jaconetty, Thomas A., Esq. Do you want your children playing under those things? The continuing controversy about high voltage electromagnetic

fields, human health, and real property values. May/June:23-30.

Electronic Data Interchange (EDI)

Hoover, John W., Jr., CPA. Electronic filing of tangible personal property returns. March/April:40-43.

Entrepreneurial Profit

Goodwin, Michael W., CAE. Trended investment and entrepreneurial profit. September/October:34-37.

Feedback

Schultz, Ron. The *other* market model. January/February:48-50.

Geographic Information Systems (GIS)

Mossman, Jim. More techniques for effective mapping. September/October:62-63.

Handheld Devices

Caterinicchia, Dan. Wireless in the wings. July/August:51-53.

Highest and Best Use

Johnson, Marion R., CAE, and Paul A. Welcome, CAE. Snakes and more snakes. September/October:64-66.

History of the Property Tax

Daw, C. A. Revolts, exemptions, and regressivity: Ruminations on the past. March/April:45-50.

Income Approach

Crotty, Richard T., Anthony J. Mullen, CPA, and William C. Weaver, Ph.D. Identifying business values in assessment of senior living and long-term care properties. March/April:33-39.

Intangibles

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21-37.

Internet

Caterinichia, Dan. Wireless in the wings. July/August:51-53.

Sarkar, Dibya. Politicians. May/June:53-56.

Hayes, Heather B. The kiosk conundrum. November/December:47-50.

International Association of Assessing Officers. Standard on public relations. July/August:43-49.

Kiosk

Hayes, Heather B. The kiosk conundrum. November/December:47-50.

Legal Issues

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21-37.

Legislation

Houlihan, James M. A summary of the 1999 major assessment jurisdiction survey. July/August:23-28.

Legislative Process

Sarkar, Dibya. Politicians. May/June:53-56.

Location

St. Amand, Léonel, and Robert J. Gloudemans. Condominium valuation using multiple regression analysis: A practical data administration and valuation approach. January/February:39-47.

Management

Baker, Richard, Jr., Ke Tsai Wu, Ph.D., and John Beaupre. The

leadership challenge for oversight agencies. November/December:41-45.

Mapping

Mossman, Jim. More techniques for effective mapping. September/October:62-63.

Mines and Minerals

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21-37.

Modeling

Baker, Richard, Jr., Ke Tsai Wu, Ph.D., and John Beaupre. The leadership challenge for oversight agencies. November/December:41-45.

Schultz, Ron. The *other* market model. January/February:48-50.

St. Amand, Léonel, and Robert J. Gloudemans. Condominium valuation using multiple regression analysis: A practical data administration and valuation approach. January/February:39-47.

Ward, Richard D., Ph.D., CAE. Demonstration of CAMA in South Africa. May/June:33-43.

Multiple Regression Analysis

St. Amand, Léonel, and Robert J. Gloudemans. Condominium valuation using multiple regression analysis: A practical data administration and valuation approach. January/February:39-47.

Ward, Richard D., Ph.D., CAE. Demonstration of CAMA in South Africa. May/June:33-43.

Natural Gas Production

Fletcher, Gregory G. Recent court

cases concerning ad valorem taxation of public utility property. January/February:21-37.

Obsolescence

Johnson, Marion R., CAE, and Paul A. Welcome, CAE. Snakes and more snakes. September/October:64-66.

Johnson, Marion R., CAE, Paul Welcome, CAE, and Darla Frank, CAE. A case study: The house of mold. November/December:37-40.

Stuart, Rick, CAE. Mercury contamination—Functional or economic obsolescence. March/April:51-53.

Open-Market Sales

Tomberlin, Nancy C. Sales Validation from an Oversight Agency's Perspective. November/December:29-35.

Outliers

Tomberlin, Nancy C. Trimming outlier ratios in small samples. July/August:29-35.

Oversight of Assessment

Baker, Richard, Jr., Ke Tsai Wu, Ph.D., and John Beaupre. The leadership challenge for oversight agencies. November/December:41-45.

Tomberlin, Nancy C. Sales Validation from an Oversight Agency's Perspective. November/December:29-35.

Performance Standards

Hoffman, Richard H., CAE, Jude T. Hammond, AAS, and Richard R. Almy. Developing re-assessment specifications. January/February:51-58.

Personal Property

Fletcher, Gregory G. Recent court

cases concerning ad valorem taxation of public utility property. January/February:21-37.

Hoover, John W., Jr. CPA. Electronic filing of tangible personal property returns. March/April:40-43.

Pipelines

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21-37.

Power Lines

Jaconetty, Thomas A., Esq. Do you want your children playing under those things? The continuing controversy about high voltage electromagnetic fields, human health, and real property values. May/June:23-30.

Property Tax Incentives

Houlihan, James M. A summary of the 1999 major assessment jurisdiction survey. July/August:23-28.

Public Relations

Hayes, Heather B. The kiosk conundrum. November/December:47-50.

International Association of Assessing Officers. Standard on public relations. July/August:43-49.

International Association of Assessing Officers. Standard on the valuation of properties affected by environmental contamination. September/October:38-60.

Public Utilities

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21-37.

Railroad Property

Fletcher, Gregory G. Recent court cases concerning ad valorem taxation of public utility property. January/February:21-37.

Gloudehans, Robert J. Confidence intervals for the coefficient of dispersion: Limitations and solutions. November/December:23-27.

Ratio Studies

Houlihan, James M. A summary of the 1999 major assessment jurisdiction survey. July/August:23-28.

Johnson, Marion R., CAE, and Rick Stuart, CAE. The effect of out-of-town buyers on market value in a small Kansas community. May/June:49-52.

Tomberlin, Nancy C. Sales Validation from an Oversight Agency's Perspective. November/December:29-35.

Tomberlin, Nancy C. Trimming outlier ratios in small samples. July/August:29-35.

Reappraisal

Finegan, Dennis, and Shari Irizarry. Rural and small jurisdictions: Defending an assessment to the board of equalization. March/April:55-59.

Hoffman, Richard H., CAE, Jude T. Hammond, AAS, and Richard R. Almy. Developing reassessment specifications. January/February:51-58.

Reappraisal Cycles

Houlihan, James M. A summary of the 1999 major assessment jurisdiction survey. July/August:23-28.

Regressivity

Daw, C. A. Revolts, exemptions, and regressivity: Ruminations on the past. March/April:45-50.

Request for Proposals (RFP)

Hoffman, Richard H., CAE, Jude T. Hammond, AAS, and Richard R. Almy. Developing reassessment specifications. January/February:51-58.

Residential Properties

Crotty, Richard T., Anthony J. Mullen, CPA, and William C. Weaver, Ph.D. Identifying business values in assessment of senior living and long-term care properties. March/April:33-39.

Finegan, Dennis, and Shari Irizarry. Rural and small jurisdictions: Defending an assessment to the board of equalization. March/April:55-59.
